

# Class Descriptions 2019-2020 Season

## Little Wigglers

Class includes movement through age appropriate music. Lots of fun activities that include props and instruments are taught while helping language development and instilling a love for learning. It's a fun class that also includes the parent!

## Preschool Dance Drop Off

Looking for a fun activity that will allow you to go do an errand? You have come to the right class. This class is designed for your preschool dancer. Different themes will be featured each week as well as exploring preschool concepts such as colors, shapes, numbers and letters through movement. A snack and craft will be provided each week.

## Bright Little Dancers

This class is designed for the younger child. Instructional activities will help the child work on gross motor skills, balance and musicality. Imaginative movement through stretching will be incorporated and the child will be encouraged to develop connections with classmates. Class is filled with lots of energy and creativity to keep the child's mind and attention engaged. Basic ballet fundamentals will be included. Fun is a must at this age and your child will love it! *(One Costume)*

## Little/Mini Dance Stars

These classes are designed for the beginner dancer with the child in mind. Basic fundamentals such as motor skills, balance, coordination and musicality are incorporated to help develop the student's love for dance. Most importantly keeping the child in mind is at the center of our focus during these courses using imagination through dance movements and building self-esteem to help them grow into confident individuals. All courses are filled with lots of energy and creativity to keep the child's mind and attention engaged. Introductory Ballet and Tap fundamentals will also be incorporated. *(One costume for all classes)*

## Broadway Star Classes

Broadway Star offer instruction in the three areas of performance: Acting, Voice and Movement. Students are offered vocal training that includes proper breath support, vowel placement, tone production and microphone technique. Dance steps and styles will be taught as well as acting skills to give the student the opportunity to develop skills through improvisation, character development and scene study. These skills help the student in building self-esteem and confidence as they prepare for solo and ensemble work for the recital during the second half of the year. *(One Costume)*

## Dance Elements 1- Ballet, Tap and Jazz

These classes become more structured as the child develops an awareness of their own physical coordination and musicality. Age appropriate exercises and warm-ups are given through the subjects of ballet, tap and jazz. Having fun is still a primary focus for this course allowing the child to interact and develop social skills through age appropriate dance games.

*Students will perform two recital routines at the end of year (Genres for recital TBD) (Two costumes)*

## Dance Elements 2, 3, 4: Ballet, Tap and Jazz

As the dancer matures so does the class in an even more structured series of studying ballet, jazz and tap. The student will become a more independent dancer through these courses while learning valuable technique to become a great technician but even furthermore they will learn the disciplines such as self-respect, self-confidence, creativity and self-expression. This will help instill an appreciation not only for the art of dance but for one's self. The class time will be split in time between ballet, tap and jazz. *Each group will perform two recital routines at the end of the year (Genres for recital TBD) (Two Costumes)*

## Hip Hop

The spirit of hip hop is designed to develop motor coordination, strength, agility & rhythm while learning the most fundamental hip hop skills such as popping, locking & waving. Hip hop is lots of fun while instilling confidence & self-esteem. It's a very high-energy class that uses the latest sounds of rap, R&B and pop music. *(One Costume)*

## Acrobatics

Tumble flip and leap through this fun filled class! The course will include conditioning in conjunction with various drills to help develop strength and flexibility for Acrobatic skills. *(One Costume)*

## Pointe

Dancers will be evaluated for their technique and strength prior to study as well as being enrolled in either a primary or team class.
