

Class Descriptions 2023-2024 Season

BRIGHT DANCERS

This class is designed for the young child. Instructional activities will help the child work on gross motor skills, balance and musicality. Imaginative movement through stretching will be incorporated and the child will be encouraged to develop connections with classmates. Class is filled with much creativity through play dance. Basic ballet fundamentals will be included at points throughout the year. Fun is a must at this age and your child will love it! *(One Costume)*

LITTLE/MINI DANCERS

These classes are designed for the beginner dancer with the child in mind. Basics such as motor skills, balance, coordination and musicality are incorporated to help develop the student's love for dance. Most importantly keeping the child in mind is at the center of our focus during these courses using imagination through dance movements and building self-esteem to help them grow into confident individuals. All courses are filled with lots of energy and creativity to keep the child's mind and attention engaged. Introductory Ballet and Tap fundamentals will be incorporated. *(One costume for all classes)*

TUMBLE HOP

These classes are a combination of tumbling and hip hop. They are designed for young children to work on motor skills, balance and coordination. Students will learn the basic skills of hip hop technique with an influence in tumbling. *(One costume for all classes)*

BROADWAY STARS

Broadway Star offer instruction in the three areas of performance: Acting, Voice and Movement. Students are offered vocal training that includes proper breath support, vowel placement, tone production and microphone technique. Dance steps and styles will be taught as well as acting skills to give the student the opportunity to develop skills through improvisation, character development and scene study. These skills help the student in building self-esteem and confidence as they prepare for solo and ensemble work for the recital during the second half of the year. *(One Costume)*

DANCE ELEMENTS

As the dancer matures so does the class in a more structured series of studying ballet, jazz and tap. The student will become a more independent dancer through these courses while learning valuable technique. This will help instill an appreciation not only for the art of dance but for one's self. The class time will be split in time between ballet, tap and jazz. As the dancer matures elements of lyrical will be introduced at the levels of elements 3 and 4. *Elements 1 and 2 will have 1 costume with a bottom change Elements 3 and 4 (Two Costumes)*

LYRICAL

Combining classical ballet and modern technique this class will include, warm up, stretching, improvisation, across the floor progressions, and choreography that uses personal expression to guide the movement. Exercises will focus on flexibility and strength along with expressing personal style through dance. *(One costume)*

HIP HOP

The spirit of hip hop is designed to develop motor coordination, strength, agility & rhythm while learning the most fundamental hip hop skills such as popping, locking & waving. Hip hop is lots of fun while instilling confidence & self-esteem. It's a very high-energy class that uses the latest sounds of rap, R&B and pop music. *(One Costume)*
