THANK YOU TO EVERYONE FOR ATTENDING OUR SHOWS!

This year marks the 19th year that Starline Academy has been in business. At Starline we pride ourselves on developing children into confident individuals through the performing arts as well as teaching important life skills such as commitment, socialization and hard work. All while having fun!

Today you will see routines that embody the spirit of our school. A foundation based on family, compassion, joy, and a shared love for the performing arts. We love our community of students, parents and staff. You all are wonderful and inspire us on a regular basis. Here's to these amazing kids! We hope you enjoy the show and don't forget to applaud them for all their remarkable efforts!
